

What our students are saying...

I wanted to continue my schooling, but nothing fit my schedule until I found KBBI. With the evening classes and hybrid format, I can still attend classes even when I am out of town or have daddy duty. The instructors are top-notch, and I love to learn from their experience.

- Isaiah, pastoral program

My Thursday evening classes are the highlight of my week! I was raised in a Baptist church, but never got this kind of instruction before. I feel more confident in my ability to share my faith with others.

- Angie, non-degree student

The interaction is great, whether I'm online or in person. KBBI has helped me grow and is preparing me for a lifetime of service.

- Chris, Biblical studies program

I love the audit option. With the hybrid classes, I was able to continue my studies even though we moved to another state mid-semester.

- Jenny, non-degree student
